MUSEUM NEWS

We have had several lovely donations since our last meeting. One Saturday we had Fireman's wives from county and beyond to visit the museum while their husbands were at their meeting all P.M.

Three days per week we have had scouts and brownies and bluebirds besides the Saturday and Sunday Schedule.

We have our cottage rented now. Don't forget the WHITE ELEPHANT table. We have a long way to go to help pay for our fire proof file cabinet.

Lafayette is counting on the Historical Society helping out on their centennial celebration in August with a float, booth etc.

Also the State Fair committee is expecting us to help out on the booth. We have lots of work ahead.
