MUSEUM NEWS

Our hot weather has arrived and busy harvest here for most. Peaches to can and beans to pick, too. Everyone has some big project to keep busy.

We are not having the tourists so far but they may come later. The Heritage Days at Lafayette was quite a big event for a small town. The parade was not large but very good. Most events were held in their city park.

Your organization was represented two days at Newberg's Old Fashioned Days celebration. We took pioneer cooking articles, photo albums, a stereoscope viewer and a few cards. They were a great hit. The men on the committee packed our things overnight and locked them up in a safe place and brought them back on Saturday morning which was a great help. They also helped to load and unload our heavy pots, jugs, and boxes of books we had to sell.

The price of our Old Yamhill books now sell for \$6.50 plus postage. We are down to five boxes and after that it will be a fond wish people had bought one. There will not be a 3rd printing. We hope to get the school book to print this year. Prices are going up on paper and it will be a larger and more expensive book than Old Yamhill. We are going to need finances to publish and if you would like to make a donation, please do so. A page for donors names will be in the book.

We had a busload of senior citizens from Woodburn- 52 of them to be exact. They had a full day and did leave us with a \$40.00 donation plus some individual donations. The museum hours are 1:00 to 4:00 p.m. Wednesday through Sunday. If a group needs to stop at any other time, please call me at 472-7935 to schedule a time.
